

Charging

Gently remove waterproof cover only until USB-C charging port is exposed. (Please make sure after charging this is securely fixed back in place to avoid water and debris, this could void the warranty)

Use supplied USB-C Charging Cable.
Use an output source 5V/2A (or above).

use an output source 5V/2A (or above).

Charge when you hear "Battery Low" prompt or the LED indicator flash RED.

Red LED will be on while charging and switch off when fully charged.

Speaker will power off automatically to save battery when nothing is connected after 10 minutes.
